TWC YOUTH WINDSURFING CAMP: INSTRUCTIONS AND INFORMATION SHEET

Camp Hours and Schedule:

- Monday to Friday, rain or shine, windy or calm
- Program hours: 9:00 a.m. to 4:00 p.m.
- Regular Drop off from 8:30 a.m/ Regular Pick up until 4:30 p.m.

What to Bring:

TWC provides all windsurfing boards and rigs. Life jackets, water shoes and wetsuits are also available but some students prefer to bring their own.

All students must bring:

- Bathing suit, and t-shirt to wear on the water.
- Hat, sun glasses (with strap) and sun screen.
- Towel and change of dry clothes.
- Back pack or gym bag.
- Lunch with fluids and snacks (TWC has a fridge).
- Optionally, a padlock to lock your bag in our lockers.

"Shortie" wetsuits (short arms and legs) are recommended for most of July but are usually unnecessary in August. TWC has many loaner wetsuits available but cannot guarantee perfect sizing for everybody. Shorties in kids sizes can be purchased from many stores for under \$75 and are a good investment for kids who expect to return.
