

TWC Youth Windsurfing Camp

Key COVID-19 Policies - Highlights for Parents/Guardians

General Administration and Paperwork

- Camp enrollment has been reduced by about 50% vs last year to allow extra distancing on land. The available spots also reflect a higher mix of more experienced campers and a lower mix of beginners this year. Unfortunately, a shortage of spots is expected.
- Parents/guardians who registered their kids before July 1, 2020, must complete a new TWC waiver which reflects risks related to COVID-19. [CLICK HERE](#) to complete the new waiver online.
- Parents/guardians must complete a daily health declaration form for their child(ren) each morning before camp. Kids must not attend if they have any symptoms of COVID-19 or cannot satisfy the conditions listed in the form . [CLICK HERE](#) to complete the daily health form online.

Transportation, Scheduling and Logistics

- Parents/guardians must drop off their own kids at camp each day and be available to answer any questions regarding the daily health declaration form.
- Late pick up is NOT available this year so all campers must be picked up by 4:30 pm. Early drop off at 8:00 am is still available and regular drop off starts at 8:30 am.
- The clubhouse, including change rooms, will be closed based on guidelines from Sail Canada. However, washrooms will be available as usual and cleaned often.
- In case of heavy rain, Camp will be cancelled (and fees refunded pro-rata) since the clubhouse is closed. We will do our best to anticipate this situation BEFORE CAMP based on the weather forecast but parents will have to be available to pick up their kids DURING CAMP hours if necessary.
- Parents/guardians must also be able to pick up their kids immediately if they become sick during camp hours.

What to Bring

- Since the change rooms are closed, kids should bring a ***changing poncho*** (highly recommended) or large towel.
- They should also arrive in their windsurfing clothes or at least wear a bathing suit under their regular clothes.
- We cannot lend lifejackets (PFD's), wetsuits or water shoes (booties) anymore so all kids must bring their own.
- We cannot supply drinking water so kids must bring their own water bottles (packaged or refillable).
- All kids must bring and BE ABLE TO APPLY their own sunscreen.
- Note: Masks are optional on land but are not recommended on the water.
- For more details, please also see the separate document titled "What to Bring".
